At your throne, for you a - lone are God!

## [Verse 1]

**Am7 G2 Em7**

I once believed I need to be hidin' the worst in me

**Am7 G D**

And that would make me clean

**Am7 G2 Em7**

But now the way is clear today I say my debt is paid

**Am7 G D**

By your amaz - ing grace

**Em7 Am7 C G D**

I want the world to know I love you so!

**[Verse 2]**

**Am7**                      **G2**                      **Em7**  
 The way I see it I need to be how you created me  
                                  **Am7 G D**  
 And love you faith – ful – ly  
**Am7**                      **G2**                      **Em7**  
 And in exchange you'll do the same and show me the way to faith  
                                  **Am7 G D**  
 Through your amaz – ing grace  
**Em7**                      **Am7 C G D**  
 I want the world to know      I love you so!

**[Bridge]**

**C G D Em C G**  
 There is nothing in this life, not of riches or of might  
                  **Em F D**  
 Not heaven- or earthly  
**C G D Em C G**  
 That could ever take away, or could ever separate  
                  **Em F D**  
 Me from your mercy!  
                  **G Em7 D**  
 For the Lord is God, and your love endures  
                  **C G D**  
 For – ev – er more!
