

I Will Worship You (Job's Song)

© 2005 Eric Meyer

[Verse 1]

G F C F

Life was full of sunshine, Joyfully sweet

G F C F G

My children and my wife, blessings replete

G F C F

And then I lost it all one dreadful day, and life's light grew dim

G F C F Bb Am

Though I'm innocent, my friends all say I'm cursed for my Sin

G F C F

My fingers ache from gripping truth so very tight

G F Am Bb

Now in my pain it's slipping through; Lord, hear my cry!

[Chorus 1]

C Am

Where are you Lord? Why don't you come?

F G

Are my prayers even heard? What takes so long?

C Am

Or will you save within this life?

F G

What will it take? Is it that I'm to die?

F C Bb2

But you're God and You deserve my praise

F C Bb

So my soul will worship you always

C Am G

Live or die—no matter what ensues

F Gsus G Bb F/A C Bb F/A Gsus G

I will worship You!

[Verse 2]

G F C F
No one around had ever even seen pain racked so deep
G F C F
Only graves where my children once had been, weighed down with grief
G F C F
In despair I cried out in pain, no strength to fight,
G F C F Bb Am
My own wife tells me with disdain, "Curse God and die!"
G F C F
My fingers ache from gripping truth so very tight
G F Am Bb
Now in my pain it's slipping through; Lord, hear my cry!

[Chorus 2]

C Am
Where are you Lord? Why don't you come?
F G
Are my prayers even heard? What takes so long?
C Am
Or will you save within this life?
F G
What will it take? Is it that I'm to die?
F C Bb2
But you're God and You deserve my praise
F C Bb
So my soul will worship you always
C Am G
Live or die—no matter what ensues
F Gsus G Bb2
I will worship You!

[Bridge]

F G Am G F
Were you there when I laid the foundations of Earth
F G Am G F
Were you there when I gave the mountains their birth
F G Am G F
Can you make it rain or bring lightning down from the sky
F G Am G F G
When you call a name, are they humbled low or else lifted up high
C G Am G Bb
No, it is I who has done these things; I alone!

[Chorus 3]

C Am
Oh Lord, My God! To hear your voice,
F G
Even though in rebuke, my soul rejoice!
C Am
My doubt forgive; my faith restore
F G
And while I live I'll trust You evermore!
F C Bb2
For you're God and You deserve my praise
F C Bb
So my soul will worship you always
C Am G
Live or die—no matter what ensues
F Gsus G Bb2 F Gsus G Bb F Gsus G C
I will worship You! I will worship You! I will worship You!
