

# You Make Me Want to Fly

© 2006 Eric Meyer

---

*[Intro]* **F Bb F Bb**

*[Verse 1]*

**F2/A Gm7**

I am amazed at how I feel

**F2/A C C7/Bb**

To contemplate just how you really know my heart

**F2/A Gm7**

Sometimes I find that when I'm lowest

**F2/A C**

In my mind you somehow know just where to start

**Bb F**

You wrap your arms around me

**Bb F**

And you tell me that you love me

**Bb F/A Csus4**

And you say to me, "It's gonna be alright."

*[Chorus]*

**C Bb F**

You know you make me want to fly

**Gm7**

You make me want to soar up high

**F/A Bb C**

Above the clouds that bring the storms of life

**Bb F**

You know you make me want to soar

**Gm7**

Way up high above the raging storm

**F/A Bb C**

To see the sun above the clouds of life

**Bb F [Bb | (2<sup>nd</sup> time to bridge)]**

You know you make me want to fly

**F C**

You know you make me want to fly

**Bb F**

Yeah, you make me want to fly

**F Bb F Bb**

*[Verse 2]*

**F2/A** **Gm7**  
Sometimes the world has got me down  
**F2/A** **C** **C7/Bb**  
And I don't see any hope around to pull me through  
**F2/A** **Gm7**  
That's when you whisper in my ear,  
**F2/A** **C**  
"Although the answers aren't clear, I'll be with you!"  
**Bb** **F**  
Then you wrap your arms around me  
**Bb** **F**  
And you tell me that you love me  
**Bb** **F/A** **Csus4**  
And you say to me, "It's gonna be alright."

*[Bridge]*

**Dm** **C** **F** **Bb**  
A knight in shining armor sometimes falls  
**Gm7** **F** **C** **/C#**  
But somehow you can see right through  
**Dm** **C** **F** **Bb**  
To the hero inside me, brave and strong and tall  
**Gm7** **F** **C** **F**  
And because you believe, I can see it, too  
**Bb** **F** **C**  
Because you believe in me, I can see it, too

*[Chorus]*

**C**                    **Bb**                    **G**  
You know you make me want to fly

**Am7**  
You make me want to soar up high

**G/B**                    **C**                    **D**  
Above the clouds that bring the storms of life

**C**                    **G**  
You know you make me want to soar

**Am7**  
Way up high above the raging storm

**G/B**                    **C**                    **D**  
To see the sun above the clouds of life

**C**                    **G**    **C**  
You know you make me want to fly

**G**    **D**  
You know you make me want to fly

**C**                    **G**  
Yeah, you make me want to fly

**G**    **C**    **G**    **C**    **G**
